

ONE-DAY EXAM PREPATORY COURSE

**MIKE FORBES
INSTRUCTOR**

SPECIAL OILWELL OPERATORS (SOW) AND SPECIAL BOILER OPERATORS (SBO)

BACKGROUND

Mike is the original program designer and has been instructing the exam prep course for 12 years. With 26 years of experience in the oil and gas industry and direct experience operating boilers in the field, he understands not only the theory, but the practical application of the material and processes.

COURSE DETAILS AND MATERIALS

This is an exam prep course - completion of the course **DOES NOT GUARANTEE** a pass on the ABSA Exam.

Upon successful application to ABSA and registration to a session, participants will receive course prep materials by email. It is the registrant's responsibility to bring the materials to the course (electronic or hard copy); a clean copy of the materials allowed in the exam will be provided at the course.

FEES & PAYMENT

Once the application has been accepted by ABSA and a course date confirmed, we will process your **non-refundable** course fee of \$425 (no GST). ABSA exam fee extra.

REGISTRATION DETAILS

To qualify to take either the SOW or SBO exams, you must complete an application with ABSA a **minimum of 21 days prior to the exam date**. For all offerings, we will assist with ABSA registration.
